

Revolutionize Your Cybersecurity Training with Relify's

Gamified Incident Response Tabletop Exercise (IRTTX)

Say goodbye to boring PowerPoints - Make compliance exciting and effective!

Compliance training doesn't have to be dull; it can be an exhilarating journey of interactive challenges and immersive learning. At Relify Security, we've turned the tables on conventional training methods to make learning about incident response not just informative but thrilling. Our Incident Response Table-Top Exercise (IRTTX) innovatively combines critical compliance requirements with the exciting elements of gamification. Our approach ensures active participation, heightened awareness, and a deeper understanding of your cybersecurity protocols – all while having fun!

How It Works

- 1 Initial Consultation**
Understand your unique needs and compliance landscape.
- 2 Customized Scenarios**
Tailor-made scenarios that resonate with your organizational context.
- 3 Dynamic and Interactive Execution**
Participate in a gamified IRTTX session that tests and enhances your incident response skills.
- 4 Comprehensive Analysis & Actionable Feedback**
Receive detailed feedback post-exercise, including an After-Action Report.

Welcome to the
< NEXT LEVEL >
of **cybersecurity**
training.

Dive into scenarios powered by game mechanics: score points, take on roles, and navigate challenges.

Experience the thrill of real-time decision-making: Develop and execute strategies in dynamic situations.

Engage in Hands-On Learning: Beyond traditional methods, our exercises offer a memorable experience.

Key Benefits

Enhanced Engagement: Transform compliance exercises into an engaging, interactive experience.

Practical Skills Development: Equip your team with hands-on skills in realistic simulations of cybersecurity incidents.

Robust Compliance: Seamlessly align with industry-specific regulatory requirements through targeted, gamified exercises.
